

THE CREATIVE HABITS OF MIND ASSESSMENT WHEEL

HOW TO USE THE ASSESSMENT WHEEL

Shade the segment of the circle that best represents how confident you feel about possessing each *Habit of Mind*. The levels of confidence grow in strength outwards from the centre of the wheel.

For example, as far as *being imaginative* is concerned, you may feel like your ability to use *your intuition* is just **beginning** whereas you are more **confident** in *playing with possibilities*. Be honest, reflect carefully and try to think of specific examples of each ability before you identify your level of confidence.
