Bletchley Park Maths Department Trip

Dear Parents and Carers

We are writing to invite your child to attend a trip to Bletchley Park, organised by the maths department. Bletchley Park is the home of British codebreaking during World War II and we are thrilled to be able to take a group of year 8 mathematicians to visit this historical site.

The trip will take place on Monday, 17 October, during school hours. Students will travel to Bletchley Park by coach and return to school by 16:00, traffic permitting. At Bletchley Park they will be given a guided tour of the facility, including the history of code breaking during World War II and take part in an exciting, interactive workshop about the preparations for the D-Day Landings.

We have been lucky enough to secure some funding for the trip, so we are asking for a £14 contribution towards the cost of travel to and from Bletchley Park. This can be paid on MCAS. Please email me if this cost might be a barrier to your child attending the trip.

Students will need to bring a packed lunch for the day and appropriate footwear and outdoor clothing for a walking tour. Please note that some of the site is outside so waterproof coats and sensible shoes are a must. Students must be in full Tallis uniform for the visit.

If your child would like to attend on 17 October, please complete the attached consent form and pay the £14 on MCAS before the end of Friday, 30 September. Consent forms should be handed into Miss Cooper in the Maths Office. Please indicate on the attached form if your child would normally receive free school meals as we can arrange for sandwiches for them for the trip.

If you have any questions, please feel free to contact me on the details below.

Yours sincerely

Abbie Cooper
Head of Key Stage 3 Mathematics
