Dear Parents and Carers

Your child has expressed an interest in participating in a fantastic opportunity, the 20th Schools Science Conference (Science for Celebration) taking place on Wednesday 19 April.

This will be an exciting and informative experience for the students that are selected to participate. There will be over 350 year 9 and 10 students from schools across London who will be supported by Scientists and Health Professions to learn how science is used to benefit patients and to keep us all healthy.

The programme of activities has been designed to be enjoyable, educational, and aligned with the National Curriculum. Importantly, the students will discover that what they learn in the classroom is used every day in healthcare. Students will find out about a vast array of different science-based jobs and careers, some of which they could enter straight from school, and others that require a University degree. During the conference, the students will take part in various quizzes, competitions and activities and have the opportunity to win prizes.

The event will take place from 11:00 to 15:50. Students will meet in the school canteen at 09:30 and from there take the bus to North Greenwich, followed by the Jubilee line to Green Park and the Victoria line to Warren Street. The event will be filmed and photographed, please indicate if you give permission for your child's photograph to be taken during the day.

Students will be expected to wear full school uniform. A bottle of water will be provided but the organisers have asked that students bring a packed lunch.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Ms E Onumonu', with a stylized flourish at the end.

Ms E Onumonu  
Co-Director of Science  
Head of Chemistry

Name of Trip: 20th Schools Science Conference (Science for Celebration) 19 April 2023

Name of Student: .....

Tutor group: .....

Please tick the correct column	Yes	No
I give permission for my child to participate in the above-named trip.		
My child receives free school meals and will require a packed lunch.		
I give permission for my child to be filmed and photographed during the event		
I understand that they will be travelling to and from school by bus and tube.		
My child has a medical condition (details below) which may affect them on this trip.		
I give permission for the teacher in charge to authorise any urgent medical treatment.		

Emergency contact number: .....

Signature of parent or carer: .....
