Dear Parents and Carers

Your child has expressed an interest in participating in a fantastic opportunity around Science, Technology, Engineering and Maths (STEM) in Aviation to be held on Friday, 4 November 2022 at the Excel London.

This will be an exciting and informative experience for the students that are selected to participate. There will be over 100 year 9 and 10 students from schools across London who will be supported by staff from London City Airport and facilitators from East London Business Alliance. The project aims to inspire your child to become the future generation STEM professionals by:

- Enhancing students understanding of the of the application of STEM in business
- Increasing student awareness of careers in the aviation sector
- Developing key employability skills - Team work, Presenting, Project & Time Management.

The event will take place from 09:15 to 15:30. Students will meet in the school canteen at 08:00 and from there take the bus to North Greenwich and the Emirates Skyline to Royal Victoria Docks. The event will be filmed and photographed, please indicate if you give permission for your child's photograph to be taken during the day.

Students will be expected to wear full school uniform. Lunch and refreshments throughout the day will be provided and the cost of transport is also subsidised (except for £3 required to pay the cable car segment of the journey). Please indicate on the form below if your child has any dietary requirements.

Yours sincerely

A handwritten signature in black ink, appearing to read 'E Onumonu', with a circular flourish at the end.

Ms E Onumonu
Head of Chemistry

STEM in Aviation event at Excel London on Friday, 4 November 2022

Name of Student: _____
