## NEW REGULAR DONATIONS FACILITY & LIFE AFTER AMAZON SMILE

With the announcement that **Amazon is closing AmazonSmile by 20th February 2023**, we have received requests for alternative ways to donate regular small amounts to PTFA.

We have now registered with DonorBox to enable you to make **recurring as well as one-off donations**. Recurring donations are where you donate £1, £2, £5, the cost of a coffee or whatever you would like to send, either weekly, monthly or annually.

Donating £1/month may not sound significant, but when you consider there are 2500 subscribers to this newsletter, without even thinking about aunts, uncles, grandparents and friends, if we all donated £1/month, at the end of the year we would each have donated £12 and raised £30,000 for our children! Now, that **is** incredible!! That's 120 laptops, or 85 Expert-lead Workshops.

We are incredibly grateful to everyone who signed up for AmazonSmile and hope that you will continue to support us by clicking 'Donate' and selecting a 'Monthly' donation now.

If you're shopping online, please remember to collect free donations
