Dear Parents and Carers

Year 11 Independent Learning Workbooks

You may be aware that, since September, we have been allocating Year 11 with relevant workbooks to support their independent learning in English, Maths and Science.

The booklets which have been, or will be, provided include:

Subject	Workbooks	RRP
English Literature	Snap revision guides for Romeo & Juliet, Jekyll & Hyde, An Inspector Calls and Unseen poetry. Collins revision guide for Love and Relationships poetry	Snap revision £4.99 each; Collins £10.99 each
Maths	Pearson Revise Edexcel GCSE workbooks: Mathematics Foundation / Higher Revision Workbook	£5.99 each
Science	Pearson Revise AQA GCSE workbooks: Science Trilogy Foundation / Higher Revision Workbook Physics Higher Revision Workbook Chemistry Higher Revision Workbook Biology Higher Revision Workbook	£5.99 each

This has been a considerable investment by the school in your child's education; this set of workbooks would cost around £50 to buy separately. In order to mitigate this, I am writing to you to request a voluntary contribution of £20 to help us to recoup some of our costs so that we may provide this opportunity to other children in the future. Please make your contribution by logging in to Wisepay under the heading "Core Subject Homework Books".

Many thanks in advance for your support.

Yours sincerely

Jon Curtis-Brignell
Deputy Headteacher: Curriculum
