Dear Parent/Carer,

Re: Year 10 Mock Examination & Controlled Assessment Timetable

Overleaf you will find a copy of the Year 10 Mock Examination and Controlled Assessment Timetable.

Can you please have a look at it and ensure that your child is prepared for each exam; this includes having the correct equipment. The minimum equipment required for each exam is as follows:

- A clear pencil case
- A black ink pen, with a spare in case one runs out
- A pencil
- A ruler
- A rubber
- A calculator if the paper/subject requires one

They can bring a bottle of water into the exam, but the wrapper will need to be removed. No other items are allowed into the examination room.

Although these are only mock examinations, they will be run as if they were the student's real GCSE exams; therefore it is good practice to get into the habit of what is required for the exams.

If you have any subject specific questions please direct these to the teacher in the first instance. If you require any further information then please do not hesitate to contact me. My direct line number is: 020 8331 3036.

Thank you very much for your support.

Best wishes

Steven Fyfe
Assistant Headteacher
