Dear Parents and Carers

I am writing to inform you that Year 7 have a science assessment on Thursday 07 July which will take place during their science lesson. The assessment will be based on the work they have covered this year.

It is imperative that your child starts to revise now so that they can achieve the best possible result. To aid their revision I have included a revision list below.

BIOLOGY	Key Stage 3 Science Higher Level Revision and Practice (page numbers)
Cells	1 - 3
Interdependence	33, 37, 38
Reproduction	22 - 25, 31, 32
Variation	42
CHEMISTRY	Key Stage 3 Science Higher Level Revision and Practice (page numbers)
Atoms, elements, and compounds	55, 57, 58
Combustion	75, 76
Particle Kinetics	48 - 52
Pure and impure substances	60, 61, 63, 64
PHYSICS	Key Stage 3 Science Higher Level Revision and Practice (page numbers)
Space	162 - 164
Forces and motion	120 - 129

The students in year 8 science will not be set. The test results will only be used to contribute to end of year progress reports. Your support in ensuring your child prepares thoroughly for the forthcoming tests is much appreciated!

Best regards

Mr A Smythe
Director of Science
