11 July 2022

Dear Parents and Carers

Year 7 Creative Walk trip along to The Southbank Thursday 14 July 2022

We are planning to take Year 7 art students to The Southbank centre for a creative walk along the river, conducting creative games such as a photo safari, an art photo game, a treasure hunt and more. The Southbank Centre is set across 11 acres and is one of London's favourite meeting locations with restaurants, street food markets and of course many art institutions. The students will also have an opportunity to see some of the sound installations and photography exhibitions which are accessible outside of the gallery.

We will meet in the school canteen at 08.40. We will take the train from Kidbrooke to Waterloo East station from where walk the short journey to the Centre There will be time for students to see the exhibition and take photographs on the walk to and from the gallery.

Students must wear full school uniform, and dress appropriately for the weather, bringing bottled water where necessary. Students will return to school and will be dismissed from school.

Students will not need an Oyster card for the return journey as free travel has been booked from TFL.

If your child is in receipt of a free school meal this will be provided by the school canteen. All students should bring a packed lunch for the day. It will not be possible to buy food whilst at the Southbank Centre.

Trips like these are not compulsory but are of great benefit to the students, helping to expand their cultural horizons and extend their understanding of collaboration. I hope you agree that this is an exciting opportunity, and you can give permission for your child to attend.

Yours sincerely
