1 October 2018

Dear Parents and Carers

Your child has been signed up to an online platform called Kerboodle. It can be accessed at www.kerboodle.com.

All students in Year 7 to 11 will be expected to login and use the site regularly as part of their mathematics education. Instructions for signing up to classes will be given out by students' maths teachers.

When students first log in, their username and password are the same. Their username will be the initial of their first name and full last name. For example, John Smith would login with:

Username:	jsmith
Password:	jsmith
Institution code:	opm6

Students will be prompted to change their password when they first log in.

Please ensure your child is aware of the platform and able to log on. If there are any issues or students need their passwords reset please ask them to come to the maths office.

Yours sincerely

A handwritten signature in black ink, appearing to read 'A. Cayless', is written over a faint, light-colored grid pattern.

Mr A. Cayless
Deputy Curriculum Leader (Maths)
